Glorifying GOD by Helping Starving Children!

5 million meals in 2010

By the grace of God, you have helped Risen Savior Missions reach a milestone of shipping more than five million meals to children suffering from starvation. Through your donations, we sent nearly four million life-saving Feed My Starving Children meals to the Philippines — reversing malnutrition in 40,000 kids. They no longer suffer from the horrible ravages of hunger!

In Zimbabwe and Haiti, RSM delivered over one million meals to children and infants caught in the devastating aftermath of drought, famine, and earthquakes. Your generosity has provided thousands upon thousands of children with a good meal this Christmas and a chance to live!

By answering God's call to minister to these beautiful children, together we have put our faith into action — with amazing results! As families have received a special hand up from RSM shipments of food, medical and school supplies, shoes, and toys, they have been able to make a better life for themselves and, in turn, eagerly reach out to help others in need around them.

And yet, so many more children living in poverty-stricken villages, swamps, and garbage dumps wait patiently for someone — anyone — to help them before it's too late.

“Pure and undefiled religion in the sight of God our Father is this: to visit orphans and widows in their distress, and to keep oneself unstained by the world.” James 1:27

Our Lord invites us to care for the poor. Please join RSM in feeding and spreading the Gospel to these desperate orphans and widows. No donation is too small in the fight against poverty, starvation, and disease. Together we can be their hope! Send your gift to:
