Glorifying GOD by Helping Starving Children!

**With over 3 million people out of work
in Manila . . .**

**What would you be willing
to do if your family were
starving?**

Would you line up at the back of a garbage truck just for a chance to find something to eat or something to salvage? Would you sell your oldest children into prostitution in order to maybe save your younger children from dying from starvation? These are the decisions faced by the poor families of the Philippines.

And then there is the plight of the parentless, homeless, starving orphans. Currently in the greater Manila area there are approximately over 100,000 parentless and homeless street children, which is the largest concentration of orphaned children in any city, or in any country, anywhere in the world! These children take to the streets in the Philippines to desperately beg, or they scavenge through third world garbage dumps looking for thrown away scraps of food or something of value that could be salvaged and sold for a little bit of food, all the while being bitten by disease ridden horseflies and insects.

The stench is horrific, and the garbage dump is littered with sharp objects and pieces of broken glass which cut into their feet. Even so, they struggle on while looking for pieces of wood or busted wooden shipping pallets that they can turn into charcoal

and resell as cooking fuel to other poor families. They risk their lives just for a mouthful of food.

Three months ago Risen Savior Missions began to feed almost 2,000 orphaned children, but there are so many more. Who will help save the rest of these poor innocent children? Please prayerfully consider helping us in this great work by making a donation so that we can send them all some nutritious food. Please become a hero to these helpless children and give them a hand up. 100% of your donation will go to feed starving children, since our relief efforts are conducted through the dedication of volunteers, and 100% of any donation is fully tax deductible!

Help put a smile on the face of a starving child. For every two cents we receive in donations we can pay to ship a vitamin-packed nutritious meal from Feed My Starving Children right into the very hands of a starving child in the Philippines. And we can feed one of these little children for an entire year for less than ten US Dollars. Help Risen Savior Missions by donating to help get these children out of the terrible garbage dumps and into a promising future!
