## Risen Savior Missions®

Glorifying GOD by Helping Starving Children!

Our Mission: Glorifying God by helping and saving starving children

Since 2000, RSM has delivered over 65 million meals to the Philippines.

RSM is a local charity based in Apple Valley, MN, founded by Jerry and Barbara Krosnowski.

RSM is staffed completely by volunteers, 12,000 of which are in the Philippines.

Our Purpose: To feed Jesus in the distressing disguise of the poor.

100% of all donations goes toward helping and feeding starving children.

RSM operates as a public charity, so 100% of your donation is tax deductible.

Every \$10 donation means that RSM can ship 500 meals.

The first 2,000 days of life are critical for a child's survival, because that is when the brain, vital organs, and autoimmune system develop.

RSM focuses on pregnant women, infants, toddlers, and preschoolers in order to give children the nutrition needed to develop properly.

Cardinal Tagle has requested that RSM brings its program into 57 more dioceses in the Philippines and save another 85,000 starving children this year.

At Mary, Mother of the Church, 100% of Lenten almsgiving goes to RSM to answer Cardinal Tagle's call.

Kimberly Pena was part of RSM's MARINEL project to reverse malnutrition on the entire island of Marinduque, roughly the size of St. Paul. The project also involved spiritual formation, hygiene and health education, and livelihood projects that taught agricultural and manufacturing skills.

In 4.5 years RSM was able to reduce malnutrition on the island from approximately 25% to 3% of the population.

Kimberly joined the project at the age of 7, weighing only 24 pounds. Today she is 9 years old and fully recovered.
