Feeding Jesus in His Starving Children

There are lots of ways that you can be a blessing to the poorest of the poor. Sponsor a flip-flops or school supplies drive. Invite a friend and together you can *Feed the Dream* at the RSM Gala.

*When you are hungry,
you can't even dream...*

THANK YOU FOR SUPPORTING RSM WITH YOUR PRAYERS AND DONATIONS!

Fancy Footwork

Mary, Mother of the Church in Burnsville, MN, collected school supplies and flip-flops for RSM last summer. The Church of St. Peter in North St. Paul, MN, also was very busy collecting flip-flops for the children of the Philippines.

As small children scavenge for food in garbage dumps, they walk through broken glass and bacteria-infested areas. Safe footwear can really make a difference for these kids. For so many of them, it will be their first pair of new shoes!

Thank you for all your hard work and loving service to these dear children!

The Church of St. Peter Council of Catholic Women collected 611 pairs of flip-flops in their Flip-Flops for the Philippiines service project. Pictured above from left to right are Beth Minogue, Kathy Morgan, Cathy Evans, Lynn Cicchese, and Mary Eggert

Meet Tesora

Little Tesora Jonamariz is the youngest in her family. Her father is a street vendor, working most of the time during the night in the streets to earn approximately \$1.50 per day. Tesora's mother has a very small Sari Sari store located in part of their 8' x 8' cinderblock shanty.

Tesora was severely malnourished when she was enrolled into our feeding program back in October of 2017, weighing only 19 pounds at 44.5 inches tall. Beside being significantly underweight, she had a lot of difficulty with talking, was very anxious, and became sick frequently.

Today Tesora weighs 53 pounds and has grown 2 more inches. She has become strong enough to attend elementary school and start first grade. There she is flourishing, participating in classroom discussions and asking her teacher questions.

Her parents are very grateful that she is doing so well, growing more healthy every day.

Tesora has truly improved in so many ways, yet we cannot help but think what her life could have been like. If she had good food during her early formative years, her growth would not have been stunted. Severe malnutrition truly set her back. If only RSM could have reached her sooner.

Her story isn't unique. She is just one of over 100,000 starving children that RSM is helping to regain their health this year, but there are so many more children that need our help to live an active, happy, healthy life. Your donation can give a starving child that new lease on life.

Together with you, our efforts and prayers have been blessed by the love Jesus has for all of us. Little Tesora now has a chance at having a joyful childhood and a healthy adulthood. Join us in reaching out to more poor children like her. When we step out in faith and charity, the possibilities are truly endless!
