## **Good News . . . Little Gemma Can Make It Now!**

Looking back six years ago and looking at her today, Gemma Rose Rodriguez can now hope for the future.

Sister Camille and the Franciscan Sisters in Northern Luzon feed 2,500 poor children enrolled in our RSM program in conjunction with the help of our RSM Philippines partner, Hapag Asa in Manila. Hapag Asa means "Table of Hope," and it certainly was for Gemma.

When we met Gemma she was seven years old and weighed only 24 pounds. Imagine, 24 pounds! Her chances of survival were slim, but nine months later little Gemma became nutritionally healthy again. Praise God!

RSM continued to provide food for her and her brother until they were totally healthy and no longer needed our food support. Today Gemma is 13 years old and at the head of her class. Her mother took part in the livelihood classes, and now is more able to support her family.

Jesus, MannaPack food, and generous people like you have given Gemma a new lease on life. Gemma is just one of the 130,000 children enrolled in our RSM feeding programs this year. Thank you for helping us win again for another poor, starving child in the Philippines!

## **Happiness Is a New Pair of Shoes**

The Church of St. Peter Council of Catholic Women (CCW) in North St. Paul, Minnesota, did an amazing thing this summer. They collected 1,223 pairs of shoes in their *Flip-Flops for the Philippines* drive!

They started in June by putting weekly announcements in their church bulletin, asking people to donate new, children's-sized flip-flops. For those who wanted to participate in the project but do not like to shop, they offered an opportunity to give a cash donation to help pay for the shipping.

Now 1,223 people will have new shoes to protect their feet from disease and injury. For many of them, it will be their first pair of new shoes. Thank you, CCW ladies!
